

Need HR Advice?

Speaker:
Samantha Gadd
of HR shop

Employing people can be scary. Some would say it is one of the hardest things about running a business! Understanding your legal obligations including how to use the trial period will provide you with the confidence you need. Samantha Gadd, Founder of HR Shop will share some expertise and insights to make the process of employing people that little bit easier.

“Some would say it is one of the hardest things about running a business!”
