

PROUD WINNERS OF SUPREME & MANUFACTURING
AND DISTRIBUTION AWARDS
2014 HUTT VALLEY CHAMBER OF COMMERCE
BUSINESS EXCELLENCE AWARDS

Can there truly be over 3,500 items to buy for your pet? There certainly can! Masterpet recently opened their new warehouse in Gracefield which distributes these items to delight and nourish pets.

Join us for a glass of wine and nibbles where we will take you on a guided tour of the premises and gain an insight into how this family owned business of brothers Wayne and Brent Wootton has gone on to become a market leader in its industry. Masterpet is now part of the EBOS group which is the third largest publicly listed company on the New Zealand Stock exchange.
